Re: Protecting the Privacy of Broadband and Other Telecommunications Services, WC
 Docket No. 16-106

Ms. Marlene H. Dortch
Secretary
Federal Communications Commission
445 12th Street, SW
Washington, DC 20554

Dear Ms. Dortch:

On September 2, 2016, I met with Ruth Milkman, Chief of Staff to the Chairman, and Matt DelNero, Bureau Chief for the Wireline Competition Bureau, to discuss the Commission's broadband privacy Notice of Proposed Rulemaking.

We discussed whether an opt-in requirement should apply only to sensitive customer data/web browsing, an approach that would be consistent with the 2012 FTC Privacy Report ("Protecting Consumer Privacy in an Era of Rapid Change"). We also discussed the most appropriate timelines and triggers for breach notification.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jon Leibowitz".
Jon Leibowitz
